# THE BIG WHEEL

*Hillcrest Junior*

*High School*

1963-64

# DEDICATION

For their strength in helping us  
over the hard places, for providing the  
benefits of a well-rounded spiritual and  
academic education, for surrounding us with  
loving atmosphere of a home, we the students of  
Hillcrest 63 - 64 dedicate this first edition of  
our annual to you our wonderful parents.

## PRINCIPAL'S MESSAGE

"The prairies' first circular school features total energy concept, where gas generators provide light, heat and air conditioning. There are no windows in this unique school in which ventilation is almost as artificial as the light and heat."

This school is the Hillcrest Junior High School of which we are very proud. We, the teachers and the students, are the users of these advance facilities. To use this school and to learn naught would be a great tragedy. Each and every one of us is making a positive contribution. One thing that we are learning is that change is inevitable. We have to learn to accept what cannot be changed; we have to have the courage to change what can be changed, and above all we need the wisdom to know one from the other. I am sure that the ideal environment at Hillcrest will give both the teachers and students the added stimulus required in the search for knowledge.

*W. J. Klufas*

Typing Club - So that more students could use the facilities of our typing room, this club was formed. Many who were unable to take the typing option were able to improve their skill thanks to the Typing Club.

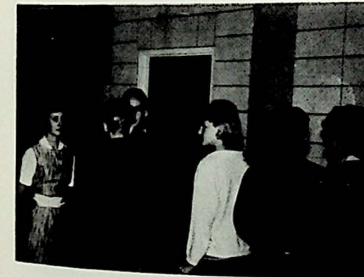

Drama Club -

Mrs. Tricker and her group have been a going concern all year. The Drama Club has presented several skits and playlets to the theatre lovers of Hillcrest.

Cheerleading -

Mdes. Monaghan and Berbekar have been training our bellowing cuties. The cheerleaders have been at all home games this year, providing that added bit of color and spirit.

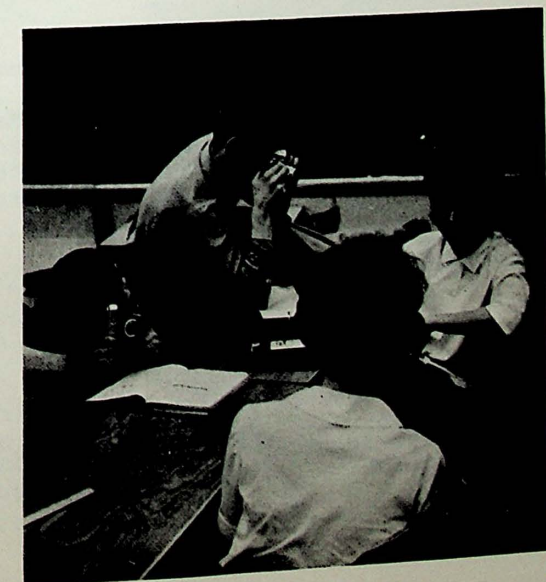

Square Dancing -

Mrs. Blair and the Square Dancers have been having quite a bit of trouble square dancing in a round school. However, they provided part of the entertainment at the official school opening.

Photography Club -

This group didn't get started until February, but it has been making up for lost time ever since. Stuart Hodgetts was elected president and Ray Lautt was elected vice-president. Although there are only nine members in the group, they have done most of the darkroom work for the year-book and have had several photo contests.

Compliments of R. Angus Alberta Ltd.

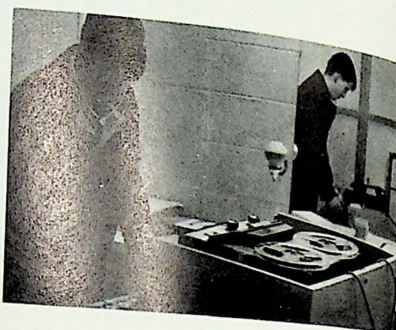

School Band -  
"Bogner's Boys" have grown in musical talent throughout the year. They have performed many times. We are fortunate to have such a capable group at the "Big Wheel".

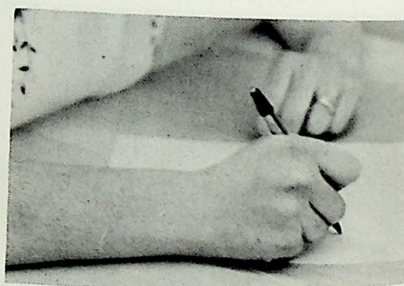

#### Radio Club -

Michael Couchman loves tape recorders, and therein lies the tale. Michael has been the force behind the turntable in providing noontime musical entertainment. Thanks must also go to the radio stations that provided us with many free discs.

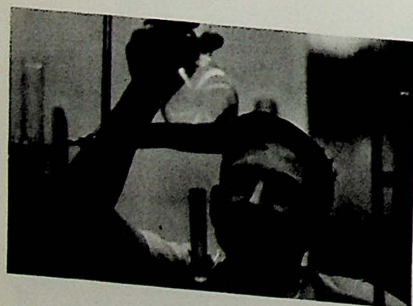

#### Chess Club -

Hillcrest Jr. High has a solid core of chess followers who, with their flamboyant play, and infectious enthusiasm, battle with joy and abandon. The hope is that this activity will continue to flourish within this Wheel of wheels.

#### Penmanship Club -

In order to help people who are poor at penmanship, Mrs. Pilkington formed this group. They have worked hard all year. The service that this club provided has been appreciated by all members.

#### Science Club -

Boom! Off they go in all directions. Mr. Kent and Mr. Humphries have been hard pressed to keep up with our Jr. Einsteins and their many endeavors. They even had to extinguish Spencer Bradbury.

#### Glee Club -

Mr. Querengesser, Mr. Holmberg and their seventy magic voices have been active all year. They have performed at the Christmas Concert, Official School Opening and the Spring Concert.

EDMONTON, ALBERTA, CANADA

"Speed, Quality and  
Efficiency" is our motto  
now that we have an  
Auto-Soler, the auto-  
matic machine that  
enables us to give you  
heels with that "New  
Shoe" look . . . in just  
3 minutes.

Congratulations
